

# Miss Barney Eliminates Mrs. Newbold in Finals of Women's Golf Tourney

## STEADY GOLF WINS WOMEN'S TOURNEY FOR MISS BARNEY

Mrs. Newbold Loses in Final Round of First Eight by 2 Up and 1 To Go.

### GAINS GROUND AFTER TURN

Is Three Holes to the Bad When Ninth Is Finished and Reduces It to One.

Revealing a steady brand of golf throughout the qualifications and match play of the women's tournament at the Chevy Chase Club this week, Miss Louise Barney was rewarded yesterday by winning the final round in the upper bracket. Mrs. Fleming Newbold having been eliminated by 2 up and 1. Mrs. C. R. Stetson proved a winner in the second eight over Mrs. C. B. McVeigh, 7 up and 6, while Miss Ekengren won the final honors in the lower eight from Miss Francine Williams, 4 and 2.

Mrs. Newbold was three holes to the bad when the pair turned the ninth hole, and from then out, it was a closely contested affair. Miss Barney took the first two holes, halved the third, and then registered a victory in the fourth and with this advantage she was never equaled by Mrs. Newbold. The defeated finalist took her first hole in the fifth only to have Miss Barney go further ahead when she took the sixth and seventh. Mrs. Newbold won the eighth and halved the ninth with Miss Barney.

After the turn the real contest started, as Mrs. Newbold made a desperate effort to regain lost ground. Each player took five strokes for the tenth hole, and Mrs. Newbold encouraged her supporters by taking the eleventh hole in six, while Miss Barney hit the twelfth, and Miss Barney got the thirteenth strokes to 5.

After the fourteenth was halved Mrs. Newbold took the next two and reduced Miss Barney's advantage to 1 up.

Mrs. Newbold required 7 for the seventeenth, while Miss Barney required 6 to clinch the title in the tournament which had been progressing since day morning. Their cards:

Newbold—  
Barney—

1 2 3 4 5 6 7 8 9 10 11  
1 2 3 4 5 6 7 8 9 10 11

The score indicates, Mrs. Stetson experienced little difficulty asserting superiority over Mrs. McVeigh. Mrs. Stetson took an early lead, and after twelve holes she was seven holes ahead. Madam Ekengren and Williams were well matched, and sixteen holes before a winner was led.

A tournament which closed yesterday is probably the last scheduled until early spring, although Chevy Chase, Washington County, Columbia County, and Columbus Club will be the scenes of many tournaments during the winter months. Nothing but snow will keep the golfers off the links during the winter.

### Fraternity League for Basketball Proposed

Fraternities of the Georgetown Law School may form a basketball league which will play a regular schedule and which may feed material to the existing five. A meeting at which this subject may be broached will probably be held in a few days. Coach John D. O'Reilly is said to favor the scheme.

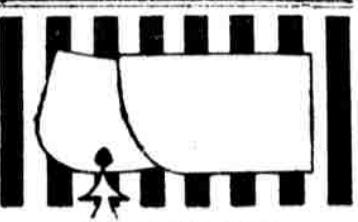

Captain Donnelly and Conroy are the only remaining members of the basketball players of last year's squad and they will present a nucleus for this year's team. Cashen, Klemmer and McGuire are out this season as are many newcomers. Mr. St. Joseph will be the first team to be played, the same being fixed for Jan. 15.

Fred Fulton to Meet Jess Willard for Title

NEW ORLEANS, Dec. 3.—Fred Fulton, the Gorilla giant, will be the boy to swap gorilla skin for Willard shirt this winter. Local promoters announced today that the fight would be held March 5. It set for twenty rounds. Champion Willard gets \$75,000, win, loss, draw and money consolation was not announced.

### "Lefty" Flynn Weds Again

NEW YORK, Dec. 3.—Lefty Flynn, famous Yale athlete, will marry Mrs. Blanche Shreve Palmer, a wealthy widow, this winter. Flynn was divorced from Irene Claire, a Winter Garden showgirl, he having died shortly after his graduation. He will take his new bride to his ranch in Colorado.
